Crow Wing County is Nationally Recognized for Budget Presentation

For the fifth consecutive year, Crow Wing County has been awarded the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States and Canada (GFOA).

The Distinguished Budget Presentation Award was awarded to Crow Wing County for its 2018 Annual Budget & Capital Improvement Plan. The award reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting. In order to receive the budget award, Crow Wing County had to satisfy nationally recognized guidelines for effective budget presentation. Crow Wing County is one of only six counties in the State of Minnesota that have achieved this award.

"I am very proud of the excellent work of the county departments and the financial services staff that put many countless hours into the budget process and documentation. Without the dedication to the budget process we would not be able to compile a document to help our residents understand Crow Wing County's budget." stated Finance Director Jason Rausch.

Crow Wing County is one of only three counties in the State of Minnesota to be awarded all three awards that are awarded each year from the GFOA.

The 2018 Annual Budget & Capital Improvement Plan are available at the Crow Wing County website at www.Crowwing.us.
