CROW WING COUNTY LANDFILL WINTER HOURS

Beginning November 1, the Crow Wing County Landfill will move to its winter hours of operation. The landfill will be open Monday through Friday from 8 am to 5 pm. Summer hours will resume in April 2021. Due to COVID-19 and to ensure everyone's safety, all customers bringing material to the landfill for disposal must remain in their vehicles. Landfill staff will come out of the main office to assist customers if needed.

Customers must stop at the landfill office and speak with the attendant to discuss the items to be disposed, pay any fees, and receive directions to the proper drop-off locations. All loads coming to the landfill must be covered, and uncovered loads are subject to a \$5 fee.

The following items can be properly disposed in the landfill for free or a nominal fee depending upon the items:

- Free recycling of lead-acid car/marine batteries
- Recycling of used oil filters (50 cents each), motor oil (free) and anti-freeze (\$1 per gallon) is available at the landfill and several drop-off locations throughout the County. Visit our webpage for drop-off locations: www.crowwing.us and search "oil."
- Free compost of lawn and garden material (please separate brush and branches)
- Demolition materials may be disposed in the demolition landfill for a fee
- Large appliances, electronics, tires with or without rims, scrap metals, glass, and plastic can be disposed for a nominal fee for recycling.
