2021 SPRING BUSINESS ELECTRONICS COLLECTION EVENT

The Crow Wing County Land Services Department will conduct a business electronics collection event on **May 19th from 9:00 am to 1:00 pm** at the Crow Wing County Landfill Site. Due to COVID-19 extra precautions will be taken to ensure the safety of you and our staff.

- Please have all items in your trunk, truck bed, or on a trailer.
- You will need to remain in your vehicle the entire time.

This is an opportunity for businesses to dispose of any old electronics. Items accepted include:

Tape Drives	<i>accepted</i>	

Billing for business/commercial will be accomplished through the Landfill Office. This fee is due the day of the event or within 30 days of receipt of invoice for those businesses that already have a charge account at the Landfill. If a business wishes to establish a charge account, please contact the Landfill Office at 218-828-4392 prior to the event. During the event the landfill attendant will direct businesses, after their vehicle has been weighed, to the collection site. Equipment to be disposed of will be unloaded and their vehicle will be directed back to the landfill office to be reweighed at the scale. At this time businesses will be provided with a bill for payment. The cost to dispose of business electronics is 30¢ per pound. If you would like to be included on our business electronics notification list, please contact us and provide the best email address to send these notifications.

Government agencies that are eligible for the State Contract rates will be handled differently. They will be billed directly by Dynamic Recycling. They will also need to stop at the Landfill Office to receive the weight of the material delivered. Dynamic Recycling will verify the materials and invoice your agency within two weeks of the drop-off, so no payment is required during the event.
