### Press Release

Within the past few months the Crow Wing County Sheriff's Office has seen a rise in the number of potential scam incidents being reported.

Individuals may try to contact you through email, text messaging, or phone calls in the attempt to take advantage of you.

Sheriff Goddard would like to remind everyone to be mindful about providing any personal, financial, or health information to any individual who is not willing to confirm who they are or who they represent during incoming phone calls.

Prior to providing any of your information, a good practice is to seek out a call back number or email address on your own to confirm the legitimacy of the requesters.

Please continue to report these incidents to law enforcement and don't hesitate to contact us for any additional questions.
