CONSTRUCTION SCHEDULE ANNOUNCED FOR COUNTY ROAD 109

The Crow Wing County Highway Department has entered into a contract with Anderson Brothers Construction for bituminous reconditioning on County Road 109. Construction work consists of culvert replacement, spot subgrade repair work, milling of old pavement, new bituminous surfacing, and shouldering.

Dependent on weather, road restrictions, and other factors, construction work is scheduled to begin on Tuesday, April 27. Centerline culvert replacement, subgrade repair, and milling are scheduled to take place April 27-30. Mainline paving operations will take place the week of May 3.

All construction work is expected to be completed prior to Memorial Weekend. During centerline culvert replacement operations, County Road 109 will be closed to through traffic from Mission Cut-off to CSAH 19. This work is expected to last 2 days.

Detour signs will be placed accordingly. During milling and paving operations, traffic will be controlled with flaggers and a pilot car. Expect delays and use caution while traveling through the construction zone.
